

# Looking for Tools to Navigate your Future?

## The Lorne and Evelyn Johnson Resource Centre

A Great Place to Develop & Enhance your Self Marketing Tools

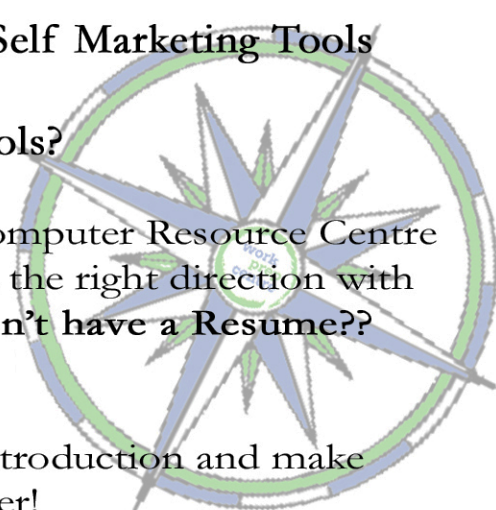

### What are Self-Marketing Tools?

**Resume** - Put your best foot forward! Our Computer Resource Centre Facilitators are always available to steer you in the right direction with Resume Development and Enhancement! **Don't have a Resume??** We are here to help YOU!!

**Cover Letters** - Formulate a great letter of introduction and make yourself irresistible to your Potential Employer!

**E-mail** - The Digital Age is upon us! We can help you get connected and teach you how to drive the Information Highway!

**Social Media & Job Search** - Much more than just chatting on Facebook or watching videos on YouTube! Use Social Media outlets like Facebook and LinkedIn to network and find great and hidden job leads!

We can help you develop the tools you need to  
navigate through the digital waters  
to a brighter future!
